SPORT IN WARSAW IN 2016

Warsaw has good conditions for the development of sport. There are many sports and recreational facilities that allows you to practice a number of sports disciplines, including multifunctional stadiums or football stadiums. Thanks to the modernization and renovation of the existing infrastructure, the quality of the sports base of the capital and its accessibility is systematically improving.

One of the biggest sports attractions of the capital is the National Stadium, built for the 2012 UEFA European Championships. It is a multi-purpose sports facility, allowing the organization of sports events, music concerts or cultural events. The stadium has a seating capacity of 58 thousand.

According to the latest statistics from 2016, there were 332 sports clubs operating in Warsaw (57 more than in 2014), which had a total of 55.3 thousand members.

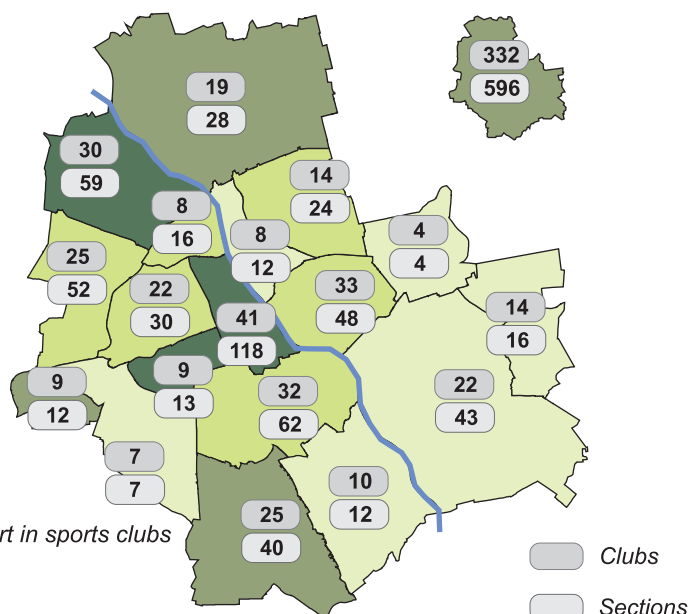

Within two years the number of people actively practicing sport in Warsaw clubs increased by 29.9% and at the end of 2016 amounted to 51.2 thousand. Majority of them (68.0%) were young people up to 18 years of age. As in previous years, men dominated among persons practicing sport.

The same as in 2014, football was the most popular among sport disciplines — 11.8 thousand persons in 73 sections. Other popular sports were: judo (4.6 thousand persons in 32 sections), volleyball (2.8 thousand persons in 40 sections) and swimming (2.5 thousand persons in 35 sections).

Sports activities took place under the direction of 1204 trainers, i.e. by 373 more than in 2014. On average, there were 43 persons practicing sport in sports clubs per one person with appropriate training qualifications (at 47 in 2014).

Compared with 2014, the number of sport instructors decreased by 35, i.e. 3.6% and the number of other persons conducting sports activities decreased by 13.
