ENTITIES OF NATIONAL ECONOMY IN REGON REGISTER IN MAZOWIECKIE VOIVODSHIP

in the end of 2013

When publishing Statistical Office data please indicate the source.

Source of the published data is the National Official Business Register REGON run by the President of the CSO on the basis of the provisions of the Law on Official Statistics of 29 June 1995 (Journal of Laws of 2012, item 591 as amended) and regulation of the Council of Ministers of 27 July 1999 on the mode and methodology of running and updating the business register, including application, questionnaire and certificate specimens, as well as detailed conditions and mode of cooperation of official statistics services with other bodies running official registers and information systems of public administration (Journal of Laws No. 69, item 763 as amended).

REGON registers entities of national economy (called legal entities), that is **legal persons**, **organizational units without legal personality**, **natural persons conducting economic activity** as well as their local units (enterprises, divisions, branches).

Data presented in this information do not include local units or natural persons running exclusively a private farm.

Data are presented according to the **Polish Classification of Activities 2007 (PKD 2007).** Entities have been classified in the particular sections of PKD according to the prevailing kind of activity declared upon entry to the REGON register or upon entering updated information submitted by the entity.

Data on entities presented in this information for voivodship, subregions and powiats correspond to the levels 2,3 and 4 of the Nomenclature of Territorial Units for Statistical Purposes (NTS) introduced by the regulation of the Council of Ministers of 14 November 2007 (Journal of Laws No. 214, item 1573 as amended).

Subregions (level 3) group units on the level of powiat. Mazowieckie voivodship consists of 37 powiats and 5 cities with powiat status, which are: capital city of Warsaw, Ostrolęka, Płock, Radom, Siedlce.
