CHILDREN IN MAZOWIECKIE VOIVODSHIP IN YEARS 2018

(Polish-English version)

published every 2 years

time of publication - June

ISSN 2081-7126

Vol. ca. 110 pages, size: 220 x 220 mm

Price: 20,00 PLN (paperback)

The publication contains a wide range of statistical surveys of public statistics and non-statistical sources that characterize the Mazovian children. The information presented in the publication concerns: demographic phenomena, child's place in the family and beyond, the situation of families with dependent children, social welfare, health and medical care, education and upbringing, culture and leisure, threats to health and life, as well as anticipated for 2050 changes in the number and structure of children and youth.

The data contained in the publication mainly concern the years 2012-2018, although in some cases it presents selected years or a shorter period, which results from the methodological conditions.

By: voivodship, powiats, urban and rural areas.
